Handwriting Textbooks Years K to 2

Dear Parents,

This year at Colo Vale Public School we will be teaching Handwriting by including the use of a handwriting textbook for years K to 2.

It will enable uniformity in the teaching of handwriting and the children will be able to show their improvement and development of handwriting skills to you. These textbooks are also linked to the NSW English Syllabus and Handwriting Outcomes.

The textbook is *Targeting Handwriting* which costs \$12.00

We would like to begin using these textbooks ASAP so please send your money and the form below in an envelope labelled with your child's name to the Banksia Box and your child will receive their book.

Please have the note and
payment returned to school by
2 March, 2018

Regards,
Janine Hopwood
